

## EN PLEIN AIR EXPERIENCE

### Tasting Experience in the vineyard

An experience in touch with nature regenerating body and soul, among the colors, scents, and aromas of our wonderful vineyards.

You will be accompanied by a guide with whom you will taste two organic wines of our estate paired with typical local gastronomic dishes (focaccia, cold cuts and cheese). Nature and Gastronomy become the ingredients for an escape from reality that joins palate and culture.

You will taste Wohlgemuth, our Pinot Grigio that takes its name from the Austrian fortification that you can see from the vineyard, and Phasianus, the Charetto di Bardolino Bio with coral shades reminding the warm sunset on Lake Garda. Two innovative wines that talk about the surrounding territory, characterized by a great biodiversity. Surrounded by nature, in a relaxing and comfort environment, you will live an unforgettable sensorial experience: approaching the wine through the terroir.

**You will taste**

*Wohlgemuth Pinot Grigio*  
*Phasianus Charetto di*  
*Bardolino*

## CONDITIONS OF THE SERVICES

- Our wine tours are meant for min. 2 people and take place only by reservation, from Monday to Saturday, from 9.30 to 16.30. Punctuality is recommended. By delays of more than 15 minutes, the tour will not be guaranteed. There are no tours during national holidays.
- Tastings are reserved for adults (+ 18 years old). Children have to be always accompanied. Animals are welcome, but, for hygiene reasons, we cannot welcome them in the production areas and in the company. Please report any food allergies or intolerances.
- It is possible to book and pay tours only online through our booking system at: <https://www.montezovo.com/en/visit-us/visits-and-tastings/>  
In case of cancellation, the full refund is guaranteed if the cancellation is notified within 2 days before the scheduled date of the visit. If any invoice is needed, this has to be requested in advance.

**In compliance with the rules of containment of Covid-19 we also would like to inform you as follows:**

- From May 2022, for all the visitors (at the winery and wine shop) the obligation of mask and presentation of the green pass is not required. To access the visit to the cellar and the indoor areas, it will no longer be necessary to exhibit the Covid-19 Green Certification and undergo the temperature measurement.
- Visitors will be jointly responsible for compliance with the rules of distance and hygiene within the company structures, to protect not only themselves, but also all the people and employees present in the cellar.
- Tastings will be guaranteed and carried out upon reservation, in accordance with the safety distance measures and with food matching (when available) in mono-portions.
- Sanification of rooms, areas and places will be always provided.
- Lastly, we would like to inform you that the temperature in the cellar is 16° C, we recommend proper clothing.
- Guided tours are available in Italian, English or German.
