Exclusive experience with an Amarone Vertical Tasting

A unique and moving journey, designed for those who wish to enjoy an exclusive experience—face to face with our family tradition and one of the world's most iconic wines: Amarone.

During the visit, our guide will lead you through the aging rooms, where this great red wine rests and matures.

The experience culminates in a magical setting: the intimate and evocative “Family Reserve Room,” where you'll taste three different vintages of Amarone.

Each wine will be paired with refined local cuisine and seasonal delicacies, carefully selected to enhance the tasting.

You'll have the chance to appreciate the evolution of our Amarone over time and discover the unique character of each vintage.
